Study in the Heart of Europe

Welcome to Thomas More

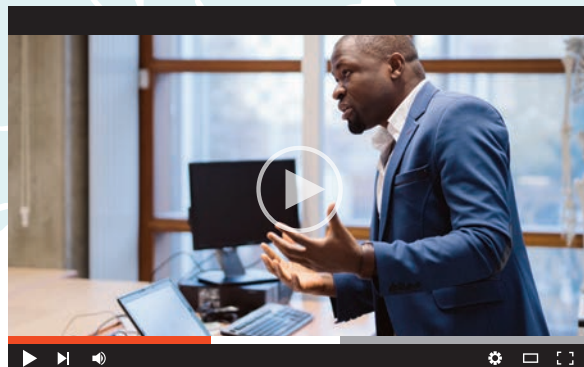

- **Largest University of Applied Sciences in Flanders.** You will study on one of our 10 campuses, along with 20.000 fellow students. We offer 42 full bachelor's degrees, including 11 taught entirely in English, 19 associate degree programmes and more than 40 exchange programmes taught in English.
- **Trend-setting degrees.** Thomas More is a pioneer in the practice of 'learning by doing.' We put our students in the driver's seat, with an emphasis on innovative labs, internships and real-world projects executed in close collaboration with our partner companies.
- **Dedicated and experienced staff** know the ins and outs of your field of study and have close ties with companies in the industry. Once you graduate, you'll be ready to transition seamlessly into your profession.
- **International Connections.** Become part of our extensive international network of Higher Education Institutions worldwide. Gain relevant experience and build up your network.
- **Prepare for the real world.** Our courses are designed in close cooperation with innovative and leading companies and organisations in specific industries to ensure that you are ready to dive headfirst into your future career.
- **World-renowned university association.** Thomas More is part of the KU Leuven association. KU Leuven is ranked in the QS top 100 universities in the world and 45th place in the Times Higher Education University Rankings.
- **Our reputation precedes us.** After your experience at Thomas More, you will be known for having the right attitude & skillset for the 21st century - and the professional know-how to back it up. Good to know: 99% of our students find a job within 3 months of graduating!

Welcome to Belgium

- **International experience guaranteed.** Belgium is home to the headquarters of the European Union - with easy train connections to Amsterdam, Paris, London and Berlin - making it a true international hub.
- **Multilingual.** English is widely spoken throughout Belgium (on top of the 3 official languages: Dutch, French and German).
- **Open-minded.** Belgians are known for being open-minded and are always excited to meet non-Belgians.
- **Intelligent.** The Flanders region has one of the most highly ranked education systems in the world.
- **Food lovers.** Who doesn't love chocolate, fries and waffles?
- **Travel pro's.** London, Paris, Rotterdam, Amsterdam, Cologne and Luxembourg are all within a 300 km radius of Brussels.
