## The 10<sup>th</sup> Jordan International Electrical & Electronics Engineering Conference (JIEEEC 2017) Share Knowledge for Better Life

The 10<sup>th</sup> Jordan International Electrical and Electronics Engineering Conference (JIEEEC 2017) will be held in Amman, Jordan, from 16 – 18, May 2017. The conference committee has set up a high quality technical program, where researchers from around the globe will present their ideas and cutting-edge research.

Accepted papers will be published in the proceedings of the conference as well as IEEE Xplore.

Authors of selected papers will be invited to publish extended versions of their work in Journal of Electrical Engineering (JEE) Published by Jordan Engineers Association (JEA). JIEEEC 2017 is organized by the Jordan Engineers Association in cooperation with the Jordan Sections of the Institution of Engineering and Technology (IET) and the Institute of Electrical and Electronics Engineers (IEEE).

We invite you to submit your papers, mark this event on your calendar and share knowledge for better life.

### Organizing Committee

#### General Chair

- Ahmad Nuseirat, Ajloun National University

#### General Vice Chair

- Ali Al-Maqousi, IEEE Jordan Section, University of Petra

#### Publicity & Exhibition Committee Chair

- Hani Ghanem, F.A Kettaneh Jordan

#### Workshop Chair

- Eid Al-Assaf, NEPCO, CIGRE

#### Technical Program Chair

- Omar Daoud, Philadelphia University

#### Publications Chair

- Ibrahim Aqili, The Hashemite University

#### Publications Co-Chair

- Sofyan M. A. Hayajneh, Al-Isra University.

#### Keynote Forums Chair

- Ali Al-Maqousi, IEEE Jordan Section, University of Petra

### Organizing Committee

- Abdoul Rjoub, (Jordan University of Science and Technology)
- Abu Al-Khair Al-Khateeb, (King Abdullah II Design & Development Bureau)
- Ahmad Harb, (German Jordanian University)
- Ahmad Khataibeh, (Energy & Minerals Regulatory Commission)
- Eid Al-Assaf, (National Electric Power Co NEPCO - CIGRE)
- Fadi R. Shahroury, (Princess Sumaya University for Technology)
- Fawzy Mansour Alzureiqat, (Jarash University)
- Haythem Bany Salameh, (Yarmouk University)
- Ibrahim Ghareeb, (Jordan University of Science and Technology)
- Khaled Matrouk, (Al-Hussein Bin Talal University)
- Mershed Jamal Haddad, (Greater Amman Municipality)
- Moussa Habib, (Jordan Engineers Association)
- Odai Hamdan S. Alabaisat (Greater Amman Municipality)
- Raed Abu Zaiter, (American University of Madaba)
- Raed Al-Kalaldeh, (Jordan Armed Forces)
- Rana Ramadan, (Al-Ahliyya Amman University)
- Saleh Al-Jufout, (Tafila Technical University)
- Sofyan M.A Hayajneh, (Al-Isra University)
- Taiseer Alghanim, (Zarqa University)
- Taqialddin Al-Smadi, (Jarash University)

## Technical Program

The JIEEEC 2017 conference provides a platform for academics, researchers and professionals to present and exchange the knowledge and expertise in a number of engineering fields namely: **Communications, Computer, Power & Energy, Bio-Medical Applications and Nano-Electronics & Applications**. The conference main activities are organized as follows:

- **Keynote Forum:** distinguished speakers will present latest advances in the fields of communications, computers, power & energy, bio-medical and Nano-electronics.
- **Technical Sessions:** Researchers will present their original peer reviewed scientific papers.
- **Tutorials:** Participants can attend tutorials that offer education on new and emerging topics essential for today's engineering and technology environment.
- **Workshops:** Industrial Experts will run workshops, where attendees can get practical and up-to-date knowledge on one of the conference topics within an interactive style through encouraging discussions and debates.
- **SPARK Exhibition** is accompanying the conference where major vendors and service providers have the opportunity to display their products / systems.

### Important Dates

- Complete paper submission due: 15/12/2016;
- Acceptance notification due: 15/02/2017;
- Camera-ready due: 15/03/2017;

### Fees

- Participant (JEA Member): 300 US\$ (215 JD)
- Participant (Non JEA Member): 450 US\$ (320 JD)
- Student: 140 US\$ (100 JD)
