

Name: Amani Ahmed Khuza`i Rawshdeh

Position: Assistant Professor
Department of mathematics
Faculty of Science
Al-Balqa Applied University

Mobile number: 00962775420497

E-mail address: amanirawshdeh@bau.edu.jo

Scopus ID: 57210822052

ORCID ID: <https://orcid.org/0000-0003-1954-5011>

National Researcher Number: 88966

Education

2017

Doctor of Philosophy, Mathematics, Jordan University, Amman-Jordan
Thesis title: Fixed point in semi-linear uniform spaces
Supervisor: Prof. Abdalla Tallafha
Committee: Prof. Hasan Hdeib, Jordan University, Amman-Jordan
Prof. Roshdi khalil, Jordan University, Amman-Jordan
Prof. Wasfi shatanawi, Hashemite university, Al zarqa-Jordan
Cumulative average: 4 out of 4

Special Achievements: A scholarship from Scientific research support fund to get the Ph. D. degree in Mathematics from the University of Jordan (2013-2017)

2010

Master of Science, Mathematics, Yarmouk, Irbid-Jordan
Thesis title: S1-Paracompact spaces
Supervisor: Prof. Khalid Al-Zoubi
Cumulative average: 90.6 out 100

2007

Bachelor of Science, Mathematics, Jordan University of Science and Technology, Irbid-Jordan, The rate is excellent.

Teaching Experience

Sep.2017 To present

Assistant Professor, Al Balqa Applied University, Al-Salt - Jordan

Sep.2012 To Sep.2013

Full time lecturer, Al majmaa university, Saudi Arabia

Sep.2010 To June 2011

Part time lecturer, Jordan University of Science and Technology, Irbid - Jordan
