---

### Policy:

<p>Al-Balqa Applied University (BAU) is committed to providing access to inclusive education, which raises the competencies, skills, and abilities of those who want to learn regardless of gender, race, or religion. To ensure achievement of the principles of learning for all and lifelong learning by providing flexible learning with a variety of patterns and shapes and an educational environment that contributes to overcoming all obstacles that prevent them from completing their education such as housewives, people with disabilities, and rural workers who live in remote areas or for those who cannot enroll in traditional education programs. In addition to providing open educational resources, such as educational platforms and global databases that are consistent with the global education system and ensuring obtaining an accredited certificate that is internationally recognized.</p>
--

### Scope:

The policy is applied to all community members, BAU students, staff, contractors, stakeholders, and partners.

### Objectives:

No.	Objective
1-	Providing everyone with equal educational opportunities to acquire outstanding fundamental skills through a qualifying education and a solid foundation for lifelong learning.
2-	Provide all flexible forms of education and learning programs that are based on the knowledge, skills, and competences of the individual, while recognizing their prior learning and demonstrating our social responsibilities.
3-	Enhance and increase internationalization of cooperation.
4-	Building a positive learning environment that contributes to overcoming all obstacles that prevent those who wish to complete their education, as well as providing open educational resources, such as educational platforms and global databases.

### Related Procedures:

No.	Procedure
1-	Holding agreements with educational platforms for collaboration.
2-	Introducing community-based training programs and lectures.
3-	Improving and establishing scientific centers.
4-	Informational and counseling services.
5-	The development of inter-business education centers.
